

Dear Members,

Once again we are back into lockdown because of COVID being present in our community, I sincerely hope you are all coping the best way you can.

Thanks to Lance Halvorson for taking over the compiling of a newsletter until our AGM in March, 2022.

Enclosed is the September edition, hope you enjoy reading it during this time.

There are a couple of things I would like to mention for your information.

Sadly we lost our 101 (almost 102) yrs young, long serving member Group Captain (Rtd) Alec Arnel, he will be well remembered for his devotion to our Division. Due to the restrictions it will only be family at his funeral today Monday 6<sup>th</sup> September.

Enclosed is a special note regarding how you can now receive the WINGS Magazine. Please note, the Division still needs to know how you wish to receive it as we are still required to send RAAFA Publishing a list so as we know that only paid members are receiving this magazine.

Air Force Association members will need to register their interest to access *Wings* online by:

- visiting the *Wings Magazine Australia* website at: <https://wingsmagazine.org>
- clicking on the **Subscribe** button on the menu bar (DO NOT USE THE LOGIN TAB)
- scrolling down and clicking on the **Subscribe for Digital** button
- completing the Registration Form and submit
- remember your username and password for your return visit

Even though the Last Post Ceremony has been suspended, Sharon Bown is now looking to fill the [2022 roster](#), enclosed is a copy of the roster and it would be great if you could contact her direct.

Keep safe, healthy, and let us hope we can get together in November.

Kind Regards,  
President Judy
